Win a prize

Every week we will feature a different competition in this page which will give an opportunity for readers (5-16) to participate and win a gift pack containing useful printed matter from **Symtra (Pvt) Ltd. of 114, Maliban Street, Colombo**, pioneers of paper art and stickers. One winner will be picked through a draw each week, and the winner's name, along with the correct answer or answers will be published in this page, under

the title of the competition. The gift pack will be mailed under registered cover to the winners by Symtra (Pvt) Ltd, once the names are published. Entries for the competition should be mailed to 'Win a prize', *C/o Junior Observer*, Lake House, 35, D.R. Wijewardene Mawatha, Colombo 10 on or before Thursday this week. The Editor's decision will be final. **Write your name, school and home address clearly.**

Number name

Write the first letter of each picture in the corresponding number box given below to find the name of an animal that is dangerous.

String along

y t q s

Given here are four letters of the alphabet with several pictures. All you have to do is string the pictures that begin with the same letter. Use a different colour to string the pictures that belong to each letter. Good luck.

Sum Fun

5			=	2
		+		×
3	+		=	
=		=	=	=
	×	5	=	10

Can you help this little boy solve the maths problems?
